

SUCCESSful Autism Training Fellowship Application Submission Checklist

Below are the steps to follow for submission of your team's *SUCCESSful Autism Training Fellowship Application* for the 2024-2025 program. Please reach out to Project Manager Lisa Welsh at successforautism@gmail.com with any questions about the application process. Consideration will be given to those teams who complete the submission process in its entirety by April 15, 2024.

Step 1: Click this link to download to complete the team application form.

<https://www.thesuccessapproach.org/tsafellowship>

Step 2: Complete the three essay questions. (Each essay has a 500-word limit. It is recommended that you create your answer in a separate document and paste it into the application.)

Step 3. Save the completed application form to your device to prepare it as a PDF.

Step 4. After reviewing the parameters of the training program presented during the program information session, solicit a letter of support from your agency/district leadership on letterhead in PDF format. The letter should include:

- A plan for how leadership will support your team in incorporating the theories and methods learned into the care of children and or adults in your setting throughout the fellowship.
- A statement of leadership's support for your team's time commitment to travel to the Wickliffe fellowship site for practicum portions of the training that require hands-on learning in Phase II.
- An approval statement allowing mentorship staff to provide training support on site at your agency/district as required in Phase II.
- A statement of support for your teams' collection of pre and post assessment scores of individuals served during the fellowship program whose scores are translated to de-identified data for the research aspects of the program.
- An acknowledgment that leadership agrees to entertain a post-fellowship outcomes presentation in Phase III, wherein the team presents a proposal for continued post-fellowship implementation of The S.U.C.C.E.S.S. ApproachSM).

Step 5. Gather current resumes for each team member in a PDF. (Total of 4: Intervention Specialist, Occupational Therapy, Speech Therapy, Psychology.)
